PLEASE BRING YOUR BELLS again.

The Easter Vigil is the greatest and most noble of all solemnities. Before Mass a blazing fire is prepared outside the church. When the people are gathered there, the Priest approaches with the ministers, one of whom carries the Paschal candle. The Priest blesses the fire. The Greek letter Alpha is placed above the cross on the candle and the letter Omega below. Then the four numerals of the current year between the arms of the cross.

"Christ yesterday and today;"

"The Alpha and the Omega;"

"The Beginning and the End".

The Paschal candle is lit from the fire.

May the Light of Christ rising in glory dispel the darkness of our hearts and minds.

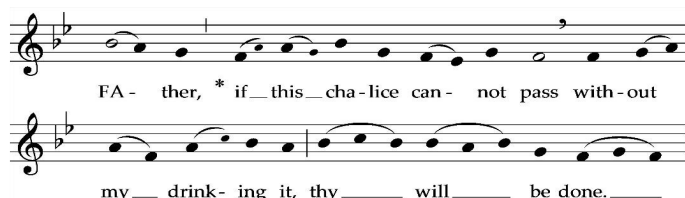

Then follows a procession into Church.

The Light of Christ. **Thanks be to God.**

**EASTER SUNDAY:** Mass Celebrated at usual times:

9.15am Mass at St Mary Crowned

11.15am Mass at All Saints

*Office of Readings – Psalm Prayer*

God of all life, light and love, through the visible things of this world you raise our thoughts to things unseen, and you show us your power and your love.
