Apologies- E Hall, S Mellor – Fallon

No apologies – N Mellor – Fallon

In attendance- Mr. Anthony Wright

Fr Martin opened the meeting with a prayer.

Mr. Wright attended the meeting to inform the members of the PPC about the condition of the organ at All Saints. In 1960 the peddle board on the organ was refurbished. The organ is one of the oldest in the district. Since 1960 George Sixsmith's & Sons Ltd have completed any maintenance work on the organ. In 2003 prices to complete the maintenance required were £70,000 + VAT. The costs will have increased since then.

There is an alternative parishioner has generously offered to donate his organ to the church. The other option is to buy a secondhand organ at around at £2000-£3000. Following a discussion, it was decided to accept this generous offer. When it is convenient for the parishioner, we will need to organise the transport etc. The organ will be located at the back of the church.

Mr. Wright then left the meeting.
