SIXTEENTH SUNDAY OF 2023 – 23rd JULY ALSO WORLD DAY OF PRAYER FOR GRANDPARENTS AND THE ELDERLY

Today we celebrate the World Day of Prayer for Grandparents and the Elderly. The theme chosen by Pope Francis for his message for this year's celebration is: "His mercy is from age to age". An Excerpt from Pope Francis' message: "Let us remember that our life is meant to be lived to the full, and that our areatest hopes and dreams are not achieved instantly but through a process of growth and maturation, in dialogue and in relationship with others. Those who focus only on the here and now, on money and possessions, on "having it all now", are blind to the way God works. His loving plan spans past, present and future; it embraces and connects the generations. It is greater than we are, yet includes each of us and calls us at every moment to keep pressing forward.

For the young, this means being ready to break free from the fleeting present in which virtual reality can entrap us, preventing us from doing something productive. For the elderly, it means not dwelling on the loss of physical strength and thinking with regret about missed opportunities. Let us all look ahead! And allow ourselves to be shaped by God's grace, which from generation to generation frees us from inertia and from dwelling on the past!"

Pope Francis' message is available in full on the parish website: www.glossopcatholics.org.uk

The recent 'WHY? Course' was well attended, and highly appreciated by participants, whose comments at the end of the course were: "Thought provoking, a worthwhile experience." "An enjoyable course, giving the opportunity to relate to other parishioners."

"I really appreciated how welcoming and friendly everyone was."

"Debate and discussion among Christians is healthy and useful, more is needed." The 'WHY? Course' will run again later this year; also 'Sycamore' will begin in September, running on Saturday mornings in St Mary's Hall.

Sycamore is a series of informal sessions about the Christian faith and its relevance for life today. The sessions include a light meal, a short film and time for discussion. Further details will be in the Newsletter in August. **Thoughts on today's Gospel Reading** Mt 13:24-43 In today's Gospel, Jesus offers three parables which use commonplace experiences to describe aspects of the Kingdom of Heaven. The first parable alerts us to the two-fold reality of the Kingdom of Heaven.

The beginnings of the Kingdom of Heaven can be found in this world. The fruition of the Kingdom of Heaven, however, will not be realized until the final judgment. In the meantime, as Jesus' explanation to the disciples cautions, any effort to judge the progress of the Kingdom of Heaven is premature.

Only God, in the final judgment, will distinguish the fruit of the Kingdom of Heaven and offer its reward.

The second and third parables call to our attention the abundance that will result from the small beginnings of the Kingdom of Heaven. Just as a mustard seed, the smallest of all seeds, will become a large bush, so too God will bring his Kingdom to full bloom.

As a small amount of yeast will leaven the entire batch of bread, so too God will bring about the expansion of his Kingdom.

In each case the image is of the

superabundance that God brings out of even the smallest of signs of the Kingdom.

Contained within these parables are words of caution as well as words of consolation. In the parable of the sower we are warned against judging others.

To judge and uproot the "weeds" prematurely will harm the wheat; final judgment rests with God. In the parables of the mustard seed and the yeast, we are consoled by the message that God can work wonders and produce abundance from even the smallest beginnings of the Kingdom of Heaven.

Margaret Burke writes,

Thank you to all my friends in both our churches for their lovely reception and many good wishes on the occasion of my 90th Birthday.
