Week of Prayer for Christian Unity

Jenny Cieslik writes, the week of prayer for Christian Unity was an opportunity for Christians in Glossop to pray, share, worship, and celebrate the things they have in common. A time to strengthen connections between people from different churches.

The theme this year was One Body, One Spirit, and the resources were provided by the Armenian Apostolic, Catholic and Evangelical Churches. It was uplifting to pray together, reflecting on our personal experience of ecumenism, sharing what is happening locally, and praying for our world.

I enjoyed participating in the events, especially the open-air service in Norfolk Square and the Prayer Walk. On Saturday morning, a group of us walked to the various churches in Glossop and prayed for them and for the children and young people in the schools.

The final event, at St Charles Borromeo was well-attended. Thank you to all the people involved in planning, opening their church as a welcoming place to meet, all the helpers who provided refreshments, and all the people from different churches who participated.

Diocesan Pilgrimage

NDCYS writes, the Diocesan Youth Service is taking a group of young people to Lourdes, France as part of the Diocesan Pilgrimage in July 2026. If you are aged 16+ and unable to go with your school, or a young adult who would like to be a small group leader, we encourage you to download the information pack and apply online at ndcys.com/Lourdes

The Glossop Rosary: We will continue on Monday 2nd February with the Sorrowful Mysteries.

Statement on Marriage (Revised 29th August 2020)

Marriage is a lifelong vocation of a man and a woman to a community of life and love open to children, and, between the baptized, it is a Sacrament. Aware of the many pressures today which can endanger family life, the Church is constantly concerned to make sure that those of you planning to marry are prepared as well as possible. We would like to remind those who wish to marry of the following:

1. It is important that a couple go to see their priest in good time before their wedding. Normally, at least six months' notice should be given.
2. Marriage preparation is carried out by the priest, often assisted by a group from the parish. Courses arranged on a Deanery basis are recommended.
3. Catholics are reminded of their obligation to preserve their faith and to do all they can within the unity of their partnership to have all their children baptized and brought up in the faith and practice of the Catholic Church.
4. Non-Catholic partners will be informed of this promise, but they are not asked to make this or any similar promise.
5. Dispensation for a marriage between a Catholic and a non-Catholic to take place in a non-Catholic church can be granted only for a serious reason. Couples who wish to marry in a non-Catholic church should discuss the matter with their priest in good time before their wedding day to see whether a dispensation could be granted.

All couples marrying these days need the support of the local Church. In this way they will be strengthened in their preparation for marriage, in celebrating their marriage, and in living out their covenant with one another.

We wish to thank all those married people who show such constancy and fidelity to their vocation of marriage. May their example inspire those planning to marry in the Church.

Right Reverend Patrick McKinney
Bishop of Nottingham
